tents

about tents...

tent capacities vary depending on the number of guests and buffet tables, the use of dance floors or the placement of staging or a reception area. the general rule is to allow ten to eighteen square feet per person. at ptg event services a consultant will help you select the appropriate tent size for your event.

cad drawing available

do it yourself

pop-up tents are lightweight free standing tents. these require a minimum of one 50lb sand bag per leg. they can be used on grass or concrete and can be installed by the customer. these tents are also available for purchase in variety of sizes and colors.

available sizes:

10' x 10' white	\$75.00
10' x 20' white	\$175.00
10' white sidewall	\$10.00
installation	\$25.00

branding

ptg offers in house custom printing services for tent and sidewall branding.

1.888.401.2020
www.ptgeventservices.com

tension

tension tents are rope and pole style tents that use tension in the fabric top to add support to the structure. these tents are able to handle higher winds and longer installations.

available sizes:

40' x 40'

40' x 60'

40' x 80'

40' x 100'

60' x 60'

60' x 70'

60' x 90'

60' x 100'

60' x 120'

80' x 80'

80' x 90'

80' x 100'

80' x 120'

100' & 120' wide available

frame

frame tents consist of a vinyl canopy that is supported by a framework of aluminum pipes. the framework does not require a center pole for support, however, still needs to be anchored with ropes & stakes or weights. we are always adding and upgrading our tent inventory to offer you the latest products. the variety of frame tent structures available provides a solution for any event. pricing includes installation. additional fees may apply.

marquee/walkway

marquees are frame style tents that are often used to connect tents to homes. they can also be used to connect several tents to each other in cases of inclement weather. marquees can also be installed on stairs and over narrow spaces. these tents are available in sizes starting at 9' or 6' wide and 5' long. the length can be increased in increments of 5' and 10' and can extend to any length required.

6' x 10' marquee	\$150.00
9' x 10' marquee	\$150.00
10' extension	\$100.00
5' extension	\$100.00

fiesta

fiesta tents are great for backyard parties and can be installed on most surfaces including decks, patios, unlevelled ground and sand.

high peak

frame tents are also available in a high peak style made by tentnology™. these tents provide the versatility of a frame tent with the elegance of a rope and pole tent. this style tent is available in smaller units and can be combined to create larger coverings. unique structures, hexagon and triangle tents, are also part of the high peak tent family. there are some limitations in installation. a site inspection is recommended.

saddlespan structure

the saddlespan tent offers a modern solution for an event space. with the elements of a tension tent and the innovative design essential in the event industry, the saddlespan can be used as a band shell or combined to create a stunning special event space.

call for quote

s2000: approximate footprint: 40' x 60'/2000 sq ft usable space

s5000: approximate footprint: 60' x 70'/4000 sq ft usable space

s5000 closed: approximate footprint

60' x 90'/5000 sq ft usable space

clearspan structure

the clearspan structure is a versatile event space that offers advantages such as:

- strong structure with trusses that can accommodate up to 1000lbs distributed per bay allowing for av equipment, lighting, event décor, etc.
- clear space without centerpoles and guy lines
- vinyl for gable ends, interior gables and star gables have branding capabilities
- legs are at 3m high (9.8') – custom heights available
- widths available include 3m, 6m, 9m, 12m, 15m, 20m, 25m, 30m
- 5m bays (16.4') provide clear entrance and exit to the tent
- easy to heat and air condition – climate controllable with keted sidewalls
- structure is engineered for high winds and inclement weather
- clear tops available

custom tents

we offer custom size and color tents as well as graphics and branding.

our policy

reservations

reservations are firm when a deposit is made. the deposit amount is a percentage of the total anticipated charges.

delivery

delivery service is available at a small additional charge. delivery rates are based on first floor delivery to your door or dock. additional charges are made for other than first floor delivery, excessive time involved, and areas not easily accessible to the delivery vehicle.

responsibility

responsibility for equipment remains with the customer from time of delivery to time of pick-up. please be sure equipment is secured when not in use and protected from the weather. we charge replacement cost for missing items, breakage and damage, including boxes.

pick-up service

goods for pick-up should be assembled and available for parties to go personnel. to avoid additional charges all items must be clean and repackaged in the same containers as delivered. tables and chairs must be folded and stacked and in the same location as delivered. if the equipment is unavailable for pick-up on the agreed date and time, an additional charge will be made. late hour pick-ups can be arranged for an additional charge.

replacement costs

replacement costs or repair charges will be assessed on any equipment damaged by the customer. charges will be assessed for property returned dirty, china and other food service items not fully rinsed and residue free, or linens returned with excessive soiling. please make special arrangements when you know you will not be able to clean items before they are returned. a charge will be made for all boxes and crates not returned.

cancellation fees

any cancellations of a contract must be made in writing, signed by the purchaser and dated. purchaser is liable for up to full balance due if cancellation is made less than thirty days prior to affair. deposits are not refundable.
